

SEAMLESS FLOORING SYSTEMS FOR ANIMAL CARE

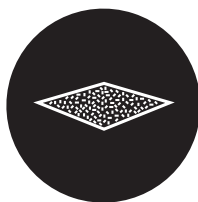

You need flooring that can stand up to constant abrasion and scratching but also be easy to clean and sanitize. Dur-A-Flex's seamless flooring and wall systems offer durable, abrasion resistant solutions that are easy to clean and offer a wide range of color options. With a variety of flooring types, there is a product for every space in your facility whether it is an operating/exam room, grooming area, or front office - Dur-A-Flex has you covered.

Dur-A-Flex provides a variety of seamless resinous flooring options, a network of trained professional installers, and on-going support so you get a product that stands up to the toughest environments in your animal care facilities.

DURABLE

Seamless flooring that stands up to the wear of daily hard use with fewer failure points than tile or VCT

DECORATIVE

Multiple aesthetic options for blended colorways, solid surfaces, or exact color matches for your aesthetic needs

ABRASION RESISTANT

Advanced topcoats designed specifically with resistance to impact/abrasion and harsh chemical byproducts or cleansers

LOW MAINTENANCE

Flooring solutions with a minimal maintenance regimen last longer and perform better over time than alternative sheet style or synthetic tile options
